

From the President

Welcome to Term 2.

This is just a brief message about the venue for Shibashi this week and to get the Tuesday Speakers' program out. I'll send another newsletter when the committee has met.

Roger

Shibashi at RSL Hall this week.

We have been notified that the Memorial Hall renovations are running behind schedule due to the recent heavy rain. It will definitely not be ready for Shibashi this Thursday 3 May, so we will be back at the RSL Hall at 10:30am.

We are assured that the Memorial Hall will be ready the following week (Thursday 10 May) but you may like to ring Denise on 0423 778 573 for confirmation closer to the day.
