

Foodie Group

Thanks to Liz Atkinson for getting the ball rolling again with the Foodie Group. The idea is that we dine together in an outdoor venue with plenty of space to allow for distancing. The venue that spang to mind was Kouzina, the Greek restaurant in the Byron Industrial Estate. There is a lovely courtyard which we were not able to use last year when we had our annual luncheon there. The weather is more likely to suit alfresco dining in September so let's have another go. Phoebe, our hostess, assures us that there will be plenty of room inside if the weather is inclement.

Liz has booked for Friday, 25 September at 12 noon. The cost will be \$25. The menu will be chosen by Phoebe, using whatever fresh produce is available on the day.

Please RSVP by Tuesday 22 September. Phone Liz on 0418 208 717 or email her at greygrazing@bigpond.com . We need to let Phoebe know by 5pm so that she can organise the catering.

We will car pool from the Uniting Church hall at 11.30am if required.

Walking Group

We're thinking of starting up a walking group.

Nothing too arduous, more a gentle exploration of the walking paths in the local area. We will keep an eye out for the local flora and fauna while we amble along. Ideally the path will end up at a coffee shop so we can have a socially distanced chat at the end of our walk.

If you are interested, please let Denise know on 0423 778 573.

Another Shibashi change of venue

The Shibashi group recommenced classes in what was to be its new permanent venue at the Ocean Shores Community Centre. However there are renovations taking place over three to five months so we need to return to our former home for the duration, starting with the first class next term. We have two classes left at Ocean Shores on 17th and 24th September.

Join us at 9am on Thursday mornings at the **Brunswick Heads Memorial Hall, starting on 15 October**. There is plenty of space and we are very vigilant about social distancing and sanitising.

Just for Fun

Can you tell who these people are? Hint - you will probably work out the first photo. The rest follow the theme. Some of the groups are smaller than they used to be. Answers next time.
